

2018 Decatur Curbside Recycling

Residential Trash Collection

The Sanitation Department collects trash placed at the curb for the residents of Decatur once a week. Collection days vary by location.

Yard Waste Collection

The Decatur Public Works collects yard waste on the same day as trash collection. **Yard waste should be placed at the curb in a bag or container, and cannot weigh more than 30 pounds.** Yard waste collection runs from April through mid October. Acceptable yard waste materials include: grass clippings, flower clippings, weeds, and shrub clippings. Decatur's community compost site is located behind the Riverside Center (407 E Jackson St), which is open 24 hours a day, 7 days a week for drop off of unwanted yard waste.

Heavy Trash Collection

Heavy trash is collected on your normal trash collection day during the heavy trash weeks shown on the calendar below. Items **NOT** collected during heavy trash include: home improvement materials, carpeting, appliances with Freon, electronics, mattresses, and tires. Call Adams County Solid Waste Management for information on the disposal of these items at 724-9971.

Recycling Collection

Recyclables are collected on the same day as your residential trash collection during the weeks shown on the calendar below. Recycling is **NOT** collected from apartments or businesses. **See the back of this flyer for a complete guide to Decatur curbside recycling collection.**
